Congratulations!

Today, Florida Communities Trust (FCT) Governing Board approved Seminole County's request for a land exchange of Jetta Point Park to Rolling Hills at a public meeting held in Tallahassee, FL. The FCT placed seven conditions on the land exchange that our County Manager is confident we can work through (once we receive these conditions, we will send a follow-up email).

Now we can proceed to make plans to transform the former golf course at Rolling Hills into a wonderful community park.

Once again, congratulations! Your persistence has paid off.

Best regards,

Lee Constantine
